PROFESSIONAL SUMMARY

Results-driven E-commerce & Operations Manager with 6+ years of experience in marketplace management, website development & maintenance, and business operations within the UAE. Proven track record in scaling multi-channel e-commerce platforms (Noon, Tabby, Shopify), optimizing workflows, and reducing operational costs by 15%. Skilled in inventory management, process automation, POS integration, and website performance optimization.

PROFESSIONAL EXPERIENCE

E-commerce & Operations Manager

313 Perfume – Abu Dhabi, UAE | Jan 2024 – Present

- Led expansion into major marketplaces including Noon, Shopify, and Tabby, increasing digital sales channels and market reach
- Managed end-to-end marketplace operations: product listings, inventory synchronization, and order fulfillment across platforms
- Reduced operational costs by 15% through workflow automation and system optimization
- Implemented full POS integration across retail locations, ensuring 100% alignment between online and offline inventory
- Optimized internal processes using Advanced Google Sheets, reducing manual errors and improving efficiency
- Oversaw FMCG operations, ensuring high-volume stock availability and seamless multi-channel distribution
- Improved system performance by 12% through platform optimization, testing, and technical enhancements
- Reduced system failures by 15% via proactive maintenance and IT troubleshooting
- Conducted quality assurance testing to ensure system reliability and compliance with operational standards

Administrative Assistant (Executive Support)

Al Mubarakah Foundation – Abu Dhabi, UAE | Jun 2023 – Dec 2024

- Provided high-level administrative support to senior leadership and royal stakeholders
- Managed confidential communications, scheduling, and documentation with full protocol compliance
- Coordinated logistics for high-profile events and stakeholder engagements

Freelance Developer & IT Trainer

Z1D (Self-Employed) – Abu Dhabi, UAE | Jan 2020 – Dec 2022

- Founded and managed a digital agency delivering websites and IT solutions for small businesses
- Conducted 50+ training sessions in coding and IT fundamentals
- Improved client system performance and digital presence through tailored solutions
